## COMPANY PROFILE

---

**Founded by Mr. Anil Aggarwal in 1980, IPSA Group has become a leading Indian manufacturer of Door Architectural Hardware and Furniture Fittings.** Over the past four decades, the company has earned a reputation as a trusted name with the introduction of the IPSA brand in 2000. The Family Managed Business is now in its second generation, and it is aligned and motivated with the organisation's vision.

IPSA has grown significantly, **achieving a 500% growth in the last five years alone.** The company currently operates four manufacturing facilities, including Unit 1 for **Door Handles and Locks**, Unit 2 for **Door Hinges**, Unit 3 for **Soft Close Cabinet Hinges**, and Unit 4 for **Ball Bearing Runners**, with its head office located in Sahibabad. IPSA aims to change the hardware manufacturing scenario in India by achieving autonomous and indigenous manufacturing for its entire product range, boasting the most extensive manufacturing capacities for all four units.

IPSA has an extensive client base that includes some of the biggest names in the real estate industry, such as DLF, ATS Group, Central Park, NBCC, and more. The company had a dealer network of 5000 dealers in FY 2021-22 and supplied its products to 18 nations globally. Architects, interiors, and carpenters all over India trust IPSA's products.

IPSA is a one-stop solution for all hardware requirements, manufacturing Brass, Zinc (Zamak) Door & Window Hardware (Door Locks & Handles), Complete Aluminum & Stainless-Steel Fitting Series, Cabinet Hinges, Ball Bearing Sliders, and Aluminium Towerbolts/Handles. The company's production facilities are equipped with advanced techniques and machinery operated by qualified and skilled operators. Quality control measures are adopted at every production stage to provide the best quality products for customers. IPSA maintains International standard specifications and Certifications like **ISO, ISI, BSI, CE, FCC, ANSI, and others.**

In conclusion, IPSA Group is a trusted Indian manufacturer of Door Architectural Hardware and Furniture Fittings with over **four decades of experience** in the industry. The company provides high-quality products and exceptional service to clients in India and worldwide, offering a one-stop solution for all hardware requirements.

## GETTING INNOVATION IN MARKET THROUGH DESIGN

IPSA's luxury range offers a unique blend of security with elegance. this range consists of prestigious and high level products satisfying the luxury needs and refined tastes of the consumers, giving their home/work place a magnificent look.

IPSA never compromise to quality and function, individuality and authenticity. Bonding heritage with creativity, curiosity and innovation just like a family company, the company grows at every level.

## OUR MISSION

To exceed our customers expectations in quality, delivery and cost through continuous improvement and innovation in business and building good customer relations.

## OUR VISION

We are:

1. one of the best companies in the international hardware industry.
2. a company with trustworthy, leading brands for the consumers.
3. a preferred supplier for all segments.
4. a strong and sound company for our stake holders.
5. a forward looking company.
6. an extraordinary place to work in.

## OUR PASSION

Our passion is to serve more and more people with better and better products and services each day and to grow and expand in various other sectors under the brand name IPSA.

## WE ARE ENVIRONMENT FRIENDLY

Each design and production step is carefully checked with regards to the environmental and each of the following decision is taken if our eco-compatibility are fully reached. this means that when we manufacture our products, ipsa doorware will be assured by the advanced technologies and very strict controls carried out by a very highly qualified personnel, generating a product conceived constantly thinking of the environment.

## GLOBAL REACH

you can access our extensive and exclusive range of products through authorised dealers and service centers to get top-notch sales and service experience worldwide. our aim is to address your needs quickly and conveniently and for that we have trained and dedicated team. we have also recognized the different needs of the customers in different regions of our country and to cater to these needs we have established a well equipped dealer network in the major cities across the world.

IPSA is one of the leading door hardware manufacturing companies in India. IPSA products are designed to meet the high end needs of consumers belonging to all income groups. Ease of use, design, high security and quality are the four major aspects that make IPSA a preferable brand.

## OUR CLIENTS

## QUALITY ASSURANCE FOR FINISH

- Zinc metal alloys of certified quality
- First electroplated copper layer
- Second electroplated copper layer
- Very high electroplated nickel coated layer
- Electro-phoretic lacquer

## OUR PRODUCTS ALSO CONFORM TO THE FOLLOWING INTERNATIONAL CHEMICAL AND PHYSICAL TESTS

- Single Rub Acetone Test :- 2500 +
- Pencil Hardness :- 4h +
- Normal Salt Spray Test Per ASTM B117 - 500 Hrs. +
- Abrasion Test :- 18+ (Litres Sand) (As Per ASTM D968 using Ottawa Sand)
- Uv Light Resistance (Using Uv B 313 Tubes 2 Hosts Uv At 60°C) Less Than E 2.0 At 500 Hrs. (Complete Fade is Equivalent to Approx. E20)
- Sweat Test (ASAN/BHMA Test + USA Specification) 4+

## SERIES 40 PRO MAX

### Technical Specifications

Unlocking way	Bluetooth, Fingerprint, Password, Card, Mechanical Key, Gateway (Optional)
Colour	Black, BRG, MAB & Space Grey
Doors Applicable	Wood Door, Aluminium Door
Door Thickness to Fit	38-65mm
Working Voltage	6V (4XAA Batteries)
Low Wattage Alarm	Below 4.8V
Battery Life Span	Support 10, 000 Times of Locking & Unlocking
Working Temperature	-10°C - 55°C
Working Humidity	0% - 95%
Data Capacity	Fingerprint - 200 Password - 150 Card - 200

## SERIES 35

### Technical Specifications

Unlocking way	Bluetooth, Fingerprint, Password, Card, Mechanical Key, Gateway (Optional)
Colour	Black, BRG, MAB & Space Grey
Doors Applicable	Single Wooden Door
Door Thickness to Fit	38-60mm
Working Voltage	6V (4XAA Batteries)
Low Wattage Alarm	Below 4.8V
Battery Life Span	Support 10, 000 Times of Locking & Unlocking
Working Temperature	-10°C - 55°C
Working Humidity	0% - 95%
Data Capacity	Fingerprint - 200 Password - 150 Card - 200

# SMART DOOR LOCK

## SERIES 50

### Technical Specifications

Unlocking way	Fingerprint, Password, Card, App Mechanical Key
Colour	Black
Doors Applicable	Single Wooden Door
Door Thickness to Fit	25-50mm (25-35mm, 35-50mm)
Working Voltage	6V (4XAA Batteries)
Battery Life Span	Support 7,000 Times of Locking & Unlocking (10-12 Months)
Working Temperature	-20°C - 50°C
Working Humidity	10% - 95%
Data Capacity	Fingerprint - 100 Password - 100 Card - 1000

## SERIES 60

### Technical Specifications

Unlocking way	Bluetooth, Fingerprint, Password, Card, Mechanical Key, Gateway (Optional)
Colour	Black
Doors Applicable	Single Wooden Door
Door Thickness to Fit	35-60mm
Working Voltage	4.5V (3XAAA Batteries)
Low Wattage Alarm	Below 4.8V
Battery Life Span	Support 7,000 Times of Locking & Unlocking
Working Temperature	-20°C - 50°C
Working Humidity	10% - 95%
Data Capacity	Fingerprint - 200 Password - 150 Card - 200

# SMART DOOR LOCK

## SERIES 75

### Technical Specifications

Unlocking way	Bluetooth, Fingerprint, Password, Card, Mechanical Key, Wifi
Colour	Black
Doors Applicable	Single Wooden Door
Door Thickness to Fit	45-100mm
Working Voltage	6V (4xAA Batteries)
Low Wattage Alarm	Below 4.8V
Battery Life Span	Support 7,000 Times of Locking & Unlocking
Working Temperature	-10°C - 60°C
Working Humidity	0% - 93%
Data Capacity	Fingerprint - 100 Password - 100 Card - 100

## SERIES 85

### Technical Specifications

Unlocking way	Fingerprint, Password, Card, Mechanical Key, App
Colour	Black
Doors Applicable	Single Wooden Door
Door Thickness to Fit	35-90mm
Working Voltage	6V (4xAA Batteries)
Low Wattage Alarm	Below 4.9V
Battery Life Span	Support 7,000 Times of Locking & Unlocking
Working Temperature	-25°C - 70°C
Working Humidity	15% - 93%
Data Capacity	Fingerprint - 100 Password - 100 Card - 100

## TC 04 - HOTEL DOOR LOCK

The diagram illustrates the TC 04 Hotel Door Lock system. It features a main lock unit on the left with a silver handle and a black panel displaying 'IPSA' and 'CARD Inductionzone'. A central 'Management System' is connected to a 'Computer' and 'Software CD'. The system also includes an 'Encoder', 'RF Card', 'Data Collector', and 'Energy-Saving Switch'. To the right, there are icons for 'Reversible Free Style Handle', '304 Stainless Steel Material', 'RFID Card', 'Key', 'IC Card', and '0.3S Fast Unlock'.

### Technical Specifications

Door Thickness	35-60mm
Working Temperature	-20°C - 70°C
Working Voltage	6V (4 Pieces Batteries)
Low Battery Alarm	Lower Than 4.8V
Battery Life	More Than 5,000 Times
Packing Size	32*19.5*12cm

## TC 05 - HOTEL DOOR LOCK

The diagram illustrates the TC 05 Hotel Door Lock system. It features a main lock unit on the left with a black handle and a black panel displaying 'IPSA'. A central 'Management System' is connected to a 'Computer' and 'Software CD'. The system also includes an 'Encoder', 'RF Card', 'Data Collector', and 'Energy-Saving Switch'. To the right, there are icons for 'RFID Card', 'Key', 'IC Card', and '0.3S Fast Unlock'.

### Technical Specifications

Door Thickness	35-60mm
Working Temperature	-20°C - 70°C
Working Voltage	6V (4 Pieces Batteries)
Low Battery Alarm	Lower Than 4.8V
Battery Life	More Than 5,000 Times
Packing Size	32*19.5*12cm
